

Boys & Girls Clubs of York County Announces Interim Executive Director

Company Release – 01/29/2015

ROCK HILL, SC – 01/29/16 – Boys & Girls Clubs of York County (BGCYC) today released the news that it has hired Kim Keel of Rock Hill to be its Interim Executive Director.

“We are extremely fortunate to have an experienced professional like Kim to be able to step off our Board and right into the operations of the Clubs”, said Todd Lumpkin, Board Chair for Boys & Girls Clubs of York County. “Kim has been doing an excellent job as Chair of our Audit Committee and on the Executive Committee, which gives her unique knowledge as to what’s going on in the organization as well as how we can continue to improve reaching the kids that need us the most. Also, Kim’s extensive track record of successfully growing nonprofits in our area, her passion for our kids, and the connections she’s made in York County ensures that BGCYC won’t miss a beat while we search for our next Executive Director.”

Some of Keel’s experience includes Executive Director of the Winthrop University Foundation, President of United Way of York County, VP & COO of the United Way Association of South Carolina, and Executive Director of Family Resources of Rutherford County (NC). Keel is also an Operating Partner with Givolio, LLC, a Rock Hill-based startup that provides an application for individuals to efficiently manage their personal charitable giving.

Keel will be stepping into the position vacated by David Carriker, who left BGCYC to accept a position with Boys & Girls Clubs in Wilmington, North Carolina.

The Board has already begun a search for a new Executive Director, both within and outside Boys & Girls Clubs of America. Until then, questions or inquiries may be directed to the Boys & Girls Clubs of York County office at (803) 324-7920 or e-mail kkeel@bgcyc.org.
