Boys & Girls Clubs of York County Announces Departure of Executive Director

Company Release – 01/19/2015

ROCK HILL, SC – 01/19/16 – Boys & Girls of York County (BGCYC) today released the news that it's Executive Director of four years, David Carriker, is leaving BGCYC to assume the same position at the Boys & Girls Clubs of America organization in Wilmington, North Carolina.

"David came on Board in 2011 and was the right guy at the right time", said Todd Lumpkin, Board Chair for the organization.

"David's consistently upbeat disposition and focus on delivering for our kids were exactly what we needed at a time when state

funding quickly evaporated and we were really doing some soul-searching regarding our viability."

During Carriker's tenure, BGCYC grew from a single Club with approximately 50 members, to one of the leading youth-serving organizations in York County, now with over 1,000 members.

"As appreciative as we are of David's critical service to the organization, we are also extremely excited about our future. Every day we are approached with community partners with new ideas to provide fun and effective programs and experiences for the betterment of our members' health, academic success, and character and leadership. Thanks to an awesome, dedicated staff, a supportive community, and an outstanding Board of Directors, BGCYC's best days are ahead of it.", Lumpkin said. "We wish David and Susan our best. Our friends in Wilmington are lucky to get David and his family."

The search for a replacement for Carriker has already begun and the Board expects to fill the position rather quickly. Until then, questions or inquiries may be directed to the Boys & Girls Clubs of York County office at (803) 324-7920 or e-mail admin@bgcyc.org.
