

**BOYS & GIRLS CLUBS
OF YORK COUNTY, INC.**

March 14, 2016

Dear Parents & Guardians,

I'm writing to let you know about changes we've recently made to our **member management system** from DonorView (adopted in 2015) back to **Kidtrax**.

You may remember **Kidtrax** as the system we used for several years prior to 2015. **Kidtrax** allows you to manage your child's Club enrollment, fees, and contact information from a secure login from your personal computer.

We have transferred your child's membership and enrollment information from DonorView to Kidtrax effective March 5, 2016.

In addition, the Parent Portal to the **Kidtrax** membership system has been reopened and is available for you to access online at www.bgcyc.org. The Parent Portal is the easiest method of managing your child's Club enrollment. Also, enrollment for the **2016 Summer Camp program** is accessible now online at www.bgcyc.org.
