

**BOYS & GIRLS CLUBS**  
OF YORK COUNTY

## **Inclement Weather Procedure**

To ensure the safety of both Club staff and members, the clubs will follow the local school district decision to close during weather-related emergencies. **Please look for the most up to date information on inclement weather Club closings on our website at [www.bgcyc.org](http://www.bgcyc.org).**

### **Procedure Summary:**

- If schools are closed, the Boys & Girls Clubs in the school district will close as well.
- If schools are delayed and open later in the day, the Clubs will open for normal after school program hours.
- In the event the weather deteriorates during the day and school releases early, the Club will NOT open upon dismissal of students. The school districts will transport students home unless parents communicate otherwise with the school.
  - *We encourage parents to pick their child up from the school or they must meet their child at their home if they will be riding the bus. If the child is in grades K-2, the bus will not drop the child off unless someone is home to greet them.*
- If the regular school day ends without any early release, the Club will open on schedule. However, if the weather deteriorates and the decision is made to close early, parents will be notified and are expected to pick up their child immediately from the Club.

### **Communications of Closings:**

- In the event that schools are closed, the Club will be closed. Communication will be made via email/phone/text to families and will be available on the homepage of our website.
- In the event that schools must close early, the Clubs will be closed. Communication will be made via email/phone/text to families and will be available on the homepage of our website.
- In the event that school does not close early but the Clubs must close early due to inclement weather that occurs during Club hours, phone calls will be made to families, communication will be made via email/phone/text and will be available on the homepage of our website.
- Families may also call the Club phone to hear a previously recorded message regarding closings.
